ONE HEART

Statement of Purpose

We envision *The Center of the One Heart* for the following purposes:

1. To impart and practice the essentials of harmony from all sources including but not limited to religions, philosophies, fine arts and science.
2. To create and build a social community where participants in the Center's activities are living demonstrations of a universal attitude of love, radiant centers of the One Heart, and manifestations of health, happiness and self-governance.
3. To impart and practice the universal laws of love, balance and unified presence of the One Heart.
4. To develop Heart Consciousness through appreciation and actualization of beauty and truth unique to each individual participating in activities, events, life and work of the Center.
5. To promote understanding and unity among people of all races, nationalities, philosophies and religions.
6. To promote harmonious human relations through art, voice, dance, theatre, music, science and appreciation of nature.
7. To encourage and support the development of Heart Consciousness within the children and youth participating in the activities, events, life and work of the Center.
